

Run Course: Out and Back Course

From the transition area, runners exit onto Chestnut then right on Riverfront Parkway.

Runners bend left as if heading the wrong way on the off-ramp from Veterans.

Halfway through the curve, they turn left up the stairs to the bluff view area, left again at the top of the stairs and then cross the walking bridge.

Runners continue on the Riverwalk all the way out to the turn around then back to the race finish in front of the transition area on Riverside Drive / Riverfront Drive.
