

Timing Chip / Shoe Tag Important Reminders:

All Team Magic events are timed using IPICO chip timing. These chips are the property of Team Magic Inc. You will receive a timing chip on race morning. You must show your bib number to receive the chip. If you lose or do not return the chip - you will be charged a \$15 replacement fee. An additional \$1 a day fee is added for any chip not returned after 7 days. Volunteers will be at the finish line to collect all chips.

Helpful tips:

- Secure the timing chip / shoe tag with zip tie provided at chip pick up.
- No chip - no time
- Double check and make sure the timing chip is securely fastened and will stay on during your run.
