

TRANSITION FLOW & LAYOUT

Relay & CycloRun Tent

Swim Finish / Run Start Water

flow to bike exit

flow to run exit

- See below for flowing from swim, to bike, to run between the bike racks.
- The transition area is designed so racers travel the same distance in total.
- Run in from Swim & Return from Bike Course on the Recreation Center Side
- Exit on Bike toward tennis courts, then around cones to exit the parking lot.
- Exit to run between the tennis courts and senior center to lakeside greenway.
- Bike racks are assigned by bib numbers; 7 bikes per individual bike rack
